

COVID-19 Daily Screening of Employees, Children, Parents and Visitors

Daily Screening at Home

Each morning before leaving home, employees should assess their health and parents/guardians of CID children should assess their child's health. This includes **taking temperatures, visually assessing for these symptoms and answering the screening questions below.** For any single low risk symptom, return to CID 24 hours after symptom resolution (without fever reducing medication). For 2 low risk symptoms or 1 high risk symptom, please consult with a health care provider.

Low Risk: General Symptoms

- Fever of 100.4 or above
- Congestion/Runny nose
- Nausea/vomiting/diarrhea
- Sore throat
- Headache
- Fatigue/muscle or body aches

High Risk: Red Flag Symptoms

- Cough
- Difficulty breathing
- Loss of taste/smell

Screening Questions

1. Within the past 24 hours, has CID employee/CID child experienced a fever of 100.4 degrees or greater?
 - No (go to next question)
 - Yes. *The employee/child may not come to CID. Monitor other symptoms and contact your doctor if symptoms persist or worsen. You may return to work/school once you can answer 'No' to all screening questions.*
2. Within the past 72 hours, has CID employee/CID child or household member experienced a new or worsening cough, shortness of breath, loss of taste/smell or any of the other symptoms listed above that you cannot attribute to another health condition or a specific activity such as physical exercise?
 - No (go to next question)
 - Yes. *The employee/child may not come to CID. Contact your doctor for guidance and appropriate medical care.*
3. Within the past 10 days, has CID employee/CID child received a positive COVID-19 test?
 - No (go to next question)
 - Yes. *The employee/child may not come to CID. Please contact CID.*
4. Within the past 14 days has a CID employee/CID child had close contact*with anyone with confirmed COVID 19 or with a household member waiting for test results? ***(Close contact is within 6 feet for 15 cumulative minutes over a 24 hour period, within 48 hours prior to the person displaying symptoms or testing positive.)**
 - No. *If the answers to all questions are 'No', the employee/child may come to CID.*
 - Yes. *The employee/student may not be able to return to CID. Please contact CID for more information.*
