

2025 Summer Enrichment Program

**100% SCHOLARSHIPS
FOR ALL CHILDREN
WHO ARE DEAF AND
HARD OF HEARING!**

CID offers three one-week camp sessions for children ages 6-12.

Families are invited to join for a culminating experience each Friday at 3:15.

SESSION 1 Shoot for the Stars Space Camp

June 2-6, Mon-Fri, 8am-4pm

Get ready for an out-of-this-world week of discovery and adventure! Future astronauts will engage in space-themed group projects such as rocket building, engineering experiments and simulated space missions. We'll even venture on field trips to the Challenger Learning Center and St. Louis Science Center. On Friday afternoon, campers will host a space showcase to demonstrate what they learned.

SESSION 2 Creative Kids Art Camp

June 9-13, Mon-Fri, 8am-4pm

Come engage in hands-on projects, creative games and opportunities to connect with fellow artists. Campers will choose a theme for their artwork and explore a range of materials, from clay to fabric to canvas. On Friday afternoon, artists will display their work for friends and family to admire at an open house art gallery!

SESSION 3 Detective Academy Camp

June 16-18; June 20, Mon-Wed; Fri, 8am-4pm CID is closed Thursday in observance of Juneteenth

Last year's smash hit returns as campers will have the opportunity to solve more mysteries, decode new puzzles and tackle novel critical thinking challenges. Sleuths will grow skills individually and as a team throughout the week, culminating in an escape room experience. On Friday, friends and family can try their hand at solving puzzles at Detective Bootcamp.

Registration will take place electronically. To request a registration link, please e-mail Meg Samson at msamson@cid.edu by **March 3, 2025** and indicate which session(s) you would like your child to attend.

Your child's spot will be secured upon completion of the registration paperwork and payment of a \$25 registration fee by **March 14, 2025.**
