

SPONSORSHIP OPPORTUNITIES

For 111 years, CID – Central Institute for the Deaf’s mission has been to teach children who are deaf and hard of hearing to listen, talk, read and succeed. Children with hearing loss from birth through 18 years receive individualized interventions from our expert educational, therapeutic and audiologic staff. As you might imagine, this type of specialized and intensive education is costly to provide. However, because of the generosity of our community, including sponsors like you, **all CID families of children with hearing loss receive 100% tuition support.**

On Saturday, January 31, guests will gather to enjoy a night of trivia, games and raffles. Consider partnering with us through a **Trivia Night Sponsorship** (and a bonus half-price table reservation) to support CID students, their families and the professionals we serve. Your support provides transformational opportunities for children with hearing loss in St. Louis and around the world.
