

# Summer Enrichment Programs

Three one-week camp sessions in June 2026

Open to children ages 6 to 12 receiving minimal support in a general education setting

**100%**  
scholarship  
support  
for children  
who are  
deaf or hard  
of hearing!

## June 1 – 5 | Engineering: On the Go! Camp

Mon–Fri, 8am–4pm

A twist on a classic favorite, this year's engineering camp is themed to architecture and transportation. Through design challenges, vehicle races and cooperative games, campers will learn how engineers work together to solve problems. On Friday at 3:15, friends and family are invited to join a World's Fair style engineering expo.

## June 8 – 12 | Center Stage Adventure Camp

Mon–Fri, 8am–4pm

Returning this year, we will bring a play to life from start to finish! Campers will explore acting, storytelling, set design, and costume creation while learning the importance of teamwork, communication and creativity. Children will build confidence, express their imagination and discover how every role – on stage and behind the scenes – helps create a successful show. The week culminates in a performance for friends and family at 3:15 on the final afternoon!

## June 15 – 18 | Creativity Quest Camp

Mon–Thurs, 8am–4pm

*CID is closed Friday in observance of Juneteenth.*

This week will focus on exploring our world through hands-on art and crafts. Campers will dive into a wide variety of projects using different materials and mediums. From ancient techniques like pottery and printmaking to more modern applications like graphic design and mixed media collaging, campers will develop both self-expression and cooperation skills. On Thursday at 3:15, they will show off their hard work in an art showcase for friends and family.

## NEXT STEPS

Fill out a [short online interest form](#) with your child's information.

We ask families to share a current IEP or 504 to help support thoughtful placement. You can:

- upload the document using the online form OR
- sign a release so we can request it from your child's school

*Uploading the IEP or 504 directly helps expedite the process.*

After our team reviews your form, you will receive an email with confirmation details, including a payment link to hold your child's spot with a \$25 registration fee.
