NEXT STEPS

Fill out a [short online interest form](#) with your teen's information.

We ask families to share a current IEP or 504 to help support thoughtful placement. You can:

- upload the document using the online form OR
- sign a release so we can request it from your teen's school

After our team reviews your form, you will receive an email with confirmation details, including a payment link to hold your teen's spot with a \$25 registration fee.

Uploading the IEP or 504 directly helps expedite the process.
